Message

Accounting with integrated GST filing

Manage your finances with integrated e-invoicing, automated accounting transaction posting, and simplified tax calculations.

Centralized performance report

Get detailed graphical reports to determine bestsellers, aging stock, and track store performance, overall sales, and more.

Attract and retain customers

Engage customers with promotional messages about special offers, discounts, and clearance sales via WhatsApp and SMS.

5 reasons why apparel shops should opt for Gofrugal ERP

Salesperson commission management

Track salespeople's transactions, automate commission calculations, and monitor their target goals.

Provide an omnichannel experience

Manage sales, inventory, operations, and customers across all platforms (online, mobile, in-store).

Define your own price rules

Set pricing rules and automatically apply them for different size categories during the time of purchase entry.

Manage your inventory efficiently

Completely track moving, non-moving, damaged, and aging stock for better inventory control.

Complete control with barcode generation

Achieve accuracy by generating product-wise barcodes during purchase entry before transferring the packages to outlets.

Try then buy with a 30-day free trial

Responsive 24/7 support center

Rate every engagement with us

Hear it from
our customers

"

Gofrugal's apparel management system has been a great value addition. Staying on top of things took a lot of work with changing fashion trends and customers becoming more demanding. Then came Gofrugal's reports feature, which helped me overcome these challenges easily.

Mr. Bhavesh N Saiya,
Choice Centre

"

Starting a textile business was scary, especially dealing with inventory. But Gofrugal's inventory management feature not only saved me, but helped me grow. Gofrugal has turned my business into a real success story, and I can't wait to see what's next!

Mr. Jafarullah Khan,
Jazz Lifestyle
